VC 422 Beta Test Venture Program on South Side Week 5
Provisional Troop Scuba Class week 5

**Note 1:** 2011 was last year for the \$75 Rollover fee for Sites. Effective 2012, one Non-refundable Leaders fee (\$105) is required to secure a Campsite.

**Note2:** There is a New Reg. form for Campsites. It reflects the sharing of Camp sites to increase the Total attendance of Campers. Please note there is a section which can be checked showing willingness to share your site. Many Leaders that attended 2011 have already checked this and said yes. In 2013 this will be a standard just as it is in most Camps Nationwide.

**Note34:** If there is an \* behind Troop #, then this shows that site is available to be shared
