

TRAILBLAZING FOR TOMORROW CAMPAIGN NEWS

Number 4, December 2, 2003

LaSalle Council, BSA/ 574.289.0337

REMINDER

Please make sure you report your campaign progress to your team captain today if you haven't already this week!

Why We Give . . .

As much as we talk about the tax advantages of making charitable contributions at this time of year, the number one reason people give is because they believe in the mission of the organization. Right behind this, is that people give because someone credible asks them to.

Remember what Scouting meant to you as a youth, or to your children, friends, or grandchildren and then share your thoughts with those you contact. Many of you have shared your stories about how Scouting helped prepare you for your careers, military service, community service, and parenthood. Don't forget to share your enthusiasm with others.
