After checking in, players are invited to enjoy a pre-round barbeque buffet at **11:00A.M.** and to warm up on the putting green and practice their long shots on the driving range. The scramble gets underway with a shotgun start at **12:30 PM sharp**. Both individual and team awards will be presented, plus many prizes will be given out at a short post-play gathering featuring a variety of hors d'oeuvres and a silent and live auction with great golf opportunities. **Please join us.**

### Vision

**The Boy Scouts of America is the nation's foremost youth program of character development and values-based leadership training. In the future Scouting will continue to**

- Offer young people responsible fun and adventure;
- Instill in young people lifetime values and develop in them ethical character as expressed in the Scout Oath and Law;
- Train young people in citizenship, service, and leadership;
- Serve America's communities and families with its quality, values-based program

This is the 17th year the LaSalle Council is hosting the Scramble for the Scouts. Over that time period the supporters of this event will enable the Council to provide fun and educational programs for 12,000 young people who participate in Tiger Cubs, Cub Scouts, Boy Scouts, Venturing and Explorer activities in our eight-county service area: Elkhart, LaPorte, Marshall, Porter, St. Joseph, and Starke counties in Indiana, and Cass and Southern Berrien counties in Michigan. Proceeds from this event go toward fulfilling the mission of the Boy Scouts of America in our communities. This mission is to prepare young people to make ethical and moral choices over their lifetimes by instilling in them the values of the Scout Oath and Law.

The LaSalle Council is pleased and proud to host the Scramble for the Scouts, and grateful to our sponsors and to South Bend Country Club for allowing us to use their facilities. We are convinced that all participants will enjoy their experience on the links for this worthy cause.

**Why Scouting?**

A research study conducted by Louis Harris and Associates on Scouting proved how the BSA's programs have a profound impact on a young person at a time in life when our youth are most susceptible to many negative influences. The survey revealed:

- The vast majority of those who were Scouts make choices that are morally and ethically responsible.
- There is a strong link between Scouting and educational achievement, business leadership, and positive economic reward.

The longer a young person's Scouting tenure, the greater the positive effects. **We need your help to ensure the strength of the Scouting program.**
