

2017 – 2018 Calendar
Memorial Hospital's Healthcare Explorers Program

SEPTEMBER 14 @ 4:00-6:00 PM – REGISTRATION NIGHT! Stop by meet other students in the program, do some paper work and pay registration fee of \$33.00. Come to the Morris 1st Scout Center, 1340 South Bend Ave., South Bend between 4:00-6:00 PM. If you cannot make this meeting, come early to the September 21 MedFlight tour at 5:00 PM to complete registration.

SEPTEMBER 21 @ 5:00 PM - BEACON HEALTH MEDFLIGHT – MEDICAL HELICOPTER - Back by popular demand! We'll once again visit the Beacon Health MedFlight – medical helicopter, but see it with full equipment! Last year, MedFlight was transferring equipment from their regular helicopter to a lease helicopter, because their regular helicopter was going for a scheduled maintenance.

OCTOBER 19 @ 6:30-7:30 PM - NURSING AT THE BEACON CHILDREN'S HOSPITAL - Learn what nursing does in a hospital setting and tour the Beacon Children's Hospital. Experience some "hands-on" with the medical tools that nurses use daily.

NOVEMBER 16 @ 6:30-7:30 PM - MIDWEST EYE CONSULTANTS - Learn about the latest in optometry at Midwest Eye Consultants and the careers in optometry. See and experience the latest in optometric equipment.

DECEMBER 7 @ 6:30-7:30 - BEACON HEALTH & FITNESS CENTER - Do "hands-on" physical therapy and fitness training at the new Beacon Health & Fitness Center.

JANUARY 18 @ 6:30-7:30 - FIREMEN, PARAMEDICS AND DISASTERS - Learn how the South Bend Paramedics and Fireman interplay in various emergency situations, including major disasters.

FEBRUARY 15 @ 6:30-7:30 - ALLIED HEALTH - NURSING, DENISTRY, DENTAL HYGIENE & SPORT AND EXERCISE SCIENCE - Come to Indiana University South Bend and learn about nursing, dental hygiene and Health Sciences-Sport and Exercise Science.

MARCH 15 @ 6:30-7:30 - PHARMACOLOGY - Back by popular demand! Matthew Shambry, pharmacist will talk about pharmacology and nuclear pharmacology, but with a new twist!

APRIL 19 @ 6:30-7:30 - RADIOLOGY - Learn the latest in radiology services at Memorial Hospital. See the operations of an x-ray machine, how the x-rays are done, safety and interpreting the x- rays.

MAY 17 @ 6:30-7:30 - WESTERN VETERINARY CLINIC - Tour the newly renovated Western Veterinary Clinic that has 5 new surgical suites with state of the art equipment. Hands on experience with medical instruments used by veterinarians; they often use many of the same instruments as medical doctors.
