***The Adventure Plan (TAP)*** is a tool to guide unit leaders - Cubs, Scouts and Venturers / SeaScouts - through all stages of Adventure planning.

Outdoor adventure is a key element of youth development in the Boy Scouts of America programs. Just as young people grow, learn and mature in a continuing progression of experience so, too, do the camping and outdoor programs of the BSA. The BSA offers a continuum of experiences based on the age, interest and ability level of youth, and also offers recognition awards for all levels of Scouting outdoor *Adventures*.

***The Adventure Plan (TAP)*** provides a one-stop set of tools to help adult and youth leaders envision, plan, prepare and conduct safe, exciting and successful outdoor *Adventures*. Your unit *Adventure* may be as simple as an overnight backpacking trip or bike ride, or maybe it is a week-long or longer activity. This online planning guide is encouraged for all levels of Scouting from Cub Scouts to Venturing.
