

WHY WOOD BADGE?

Wood Badge is transformative.

It's for any leader, in any business, any Scouter, at any point in your career.

You'll reflect, be energized, bond with people you've never met, be out of your comfort zone, rethink your paradigms, and mostly have a lot of fun!

Steve Roos

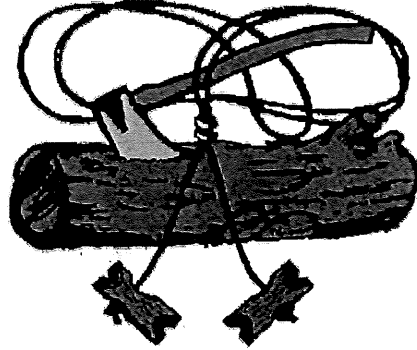

One of the best programs I have attended hands down.

I have attended several other leadership training programs and they don't even come close to the amount of information packed into this program.

And you build friendships that last a lifetime. Beavers are the best!
