

### **Wood Lake Scout Reservation**

**Camp Tamarack**  
**Camp Will Welber**  
**Camp Dan Beard**  
**Camp Jim Bridger**

**Wood Lake Scout Reservation is comprised of two major camps and 2 primitive camps: Camp Tamarack, Camp Will Welber, Camp Dan Beard, and Camp Jim Bridger.**

**All reservations are made through the LaSalle Council Service Center.**

**Camp Tamarack** is approximately 250 acres and is the summer camp facility located on the north side of Big and Little Wood Lake. Camp Tamarack has 14 campsites, 3 winter lodges, 16 staff cabins, main shower house, health lodge, Director's lodge, dining hall, cooks cabin, quartermaster/trading post, administration building, conservation pavilion, rifle range, archery range, waterfront, athletic field, and parade field. The water supply is winterized (no water in campsites) by Oct. 15<sup>th</sup> and recharged by May 1<sup>st</sup>. Winter water is available at 2 frost proof hydrants located outside the Blair and O.A. winter lodges.

**Camp Will Welber** is approximately 10 acres and is used as a training area. This camp is located on the south side of Big Wood Lake. Facilities are comprised of a storage building, central shower and 2 staff cabins. This area is used by summer camp staff during summer months. No water is available during winter months.

**Camps: Dan Beard and Jim Bridger** are located on the south side of Big Wood Lake and are approximately 80 acres each. These are both "leave no trace" camping areas. They offer no amenities except for abundant natural beauty.

### **Winter Lodges:**

**Rotary Lodge** and **O.A. Lodge** are identical in size and are rented from the weekend after Labor Day to the weekend before Memorial Day. Each lodge sleeps 24 people with 9 bunk beds with mattresses in the camper's area and 2 leader rooms that sleep 3 each with bed and mattress. O.A. and Rotary have kitchen with 4-burner, electric cook top, refrigerator, and sink. Bathroom has lavatory, toilet, and shower. Heat is provided by a forced air heat pump with propane back up.

**Blair Lodge** sleeps 24 people with 12 bunk beds with mattresses. The lodge has a food serving area with no cooking facilities (cook on your camp stove). Water is available at the winter hydrant just outside the lodge. Pit toilet facilities at the latrine in Potawatomi campsite.
